

## Extending 2 sewage networks project completed in Karbala

*01 June 2010*

KARBALA: Extending two sewage networks project has been completed in Karbala at a cost of 32 billion Iraqi dinars, head of the reconstruction and strategic planning committee said on Tuesday.

"A local company has finalized the project at a cost of 32.515 billion Iraqi dinars," Dr. Abbass Nasser Hasani told Aswat al-Iraq news agency.

"The network extend to 116km and needed 2 years to finish," he added.

Karbala is 1010km southwest of Baghdad.
