

Saudi Water, Sewage Projs Underway In Makkah Worth SAR1B-Report

Saturday, Sep 04, 2010

Saudi Arabia's ministry of water and electricity said water and sewage projects are currently being implemented in Makkah at a total cost of more than 1 billion Saudi riyals (\$266.7 million), pan-Arab Al Hayat daily reports Saturday.

Moreover, there are contracts valued at more than SAR50 million to supervise these projects, the ministry said according to the paper, adding that projects worth SAR1.5 billion have been completed.
